Letter from President Robert Honeycutt

***I would like to extend my appreciation to you for electing me as HASA President for 2013. My main goal is to make this a social club that all will be excited to attend each month. For everyone to enjoy good food, music, entertainment, and fellowship. For you to have the opportunity to dance or to listen to the best music and socialize with old and new friends. I would like to say thanks to Gail Covill for a job well done as Treasurer for 2012. The new officers will join forces to create a team that will get the job done in making us a first rate club. We don't only want to be known as a social club but to have a reputation as giving back to the community. In 2012, HASA donated over \$3,000.00 plus to charities to include Make A Wish Foundation, Dunn Shrinettes, Hospice, Falcon Children's Home, Dunn United Ministries, Shiners' Children's Hospital and S.A.F.E. HASA also donated 3 boxes of toys to Toys for Tots in order for area children to receive a toy for Xmas. This was the monetary value. In order to be able to make the donations to charities, there many hours spent by the officers and others volunteering their time -by purchasing food, supplies, decorating the building prior to the party, setting up tables, preparing food, cleaning the kitchen, sweeping floors, gathering all the trash "after the party." The "volunteer" hours were in lieu of HASA spending money for these services. It takes volunteers and memberships in order for us to be able to contribute to charities within the community. As Butch Halpin stated, "A lot of good can be accomplished when many work together for a common goal!" We do need more volunteers to assist with everything. Please see me if you are interested in volunteering in 2013. I welcome any ideas or suggestions that you can give me to improve our club. Thank you for all that you did last year to increase our membership and to make all the good things happen.***
