APRIL 2013

FROM HASA PRESIDENT:

A “BIG” THANK YOU to everyone who joined or renewed their membership with HASA in 2013. You are the people who keep the club going and give us the ability to provide top notch entertainment, a great facility with great wood floors to dance, and our renowned southern food and hospitality. We are recruiting members to join our volunteer team to assist with promoting parties. Areas we need volunteers: Food, Decorating, Set-Up/Take Down, Phone Tree, and Ways & Means Committee. Please call Robert Honeycutt PH: 910-214-2858, hrob7@intrstar.net to let him know the area you will be interested to volunteer.

It's not too late – you can still join or renew your HASA membership. Only \$25.00 for the year thru Dec 31, 2013. You will get in free the night you join if a DJ is playing. After that it is only \$5.00 admission fee when a DJ is playing. Great value for your money! Good music, entertainment, dancing, food, and fellowship. Your opportunity to meet old and new friends. That's worth more than what money can buy!

We appreciate everyone who attends our parties. Please let me know if you have any ideas, suggestions that we can do to improve HASA for you. Thank you for your support.
